Is the remuneration to Jain Mastu (is it Taluk Jumasta?) now newly proposed or was it being paid before under the 'Committee's' management?

55 (Remonstrance) The Contribution to Tumkur Temple has been separately sanctioned (File No. 152 of 1910-11) for the purpose.

It does not appear that this allowance to this Jain Jumasta is being now paid. As he has to maintain accounts this allowance is now proposed.

Sir,

I have the honour to state that there is a temple dedicated to Sri Anjaneyaswami at Kyamenahalli , Koratagere Sub Taluk, which is a Muzrai institution having a cash grant of Rs 13-2-0 per year and the marginally noted land Inams . This institution has been growing in importance since the last 6 years and has at its credit about Rs 14000/- , Rs 5000/- of which stands invested in the Mysore 4% loan paper of 1906 and Rs 9000/- in the Government of India securities . A Rathotsavam is being held in connection with the temple every year on the Magha Suddha Saptami day , when about 25000 men and 20000 cattle collect, the jatra lasting for over 8 days. From the records it would appear that the Dharmadarsis formed among themselves a managing Committee and allowed the President to incur all expenses connected with the Rathotsavam . They kept accounts for the funds placed

by the Deputy Amildar ~~or~~, after obtaining due sanction of the Deputy Commissioner . The Deputy Amildar used to accept vouchers given by the Dharmadarsis for the funds advanced . This procedure was open to objection . The grounds on which the objection is based by the Madanapalli Sub Division Officer and the desirability of having a fixed scale of expenditure for the institution are detailed in his order No 197 dated 10th December 1907 to the Deputy Amildar (Vide page 23 on the file).

3

(2) From the statement of receipts and expenditure for the past 5 years , it is seen that the average annual income of the institution amounted to Rs 2022/- from all sources and the average expenditure to Rs 380/- A scale of fixed expenditure for Rs 616 and odd set up at the instance of the Dharmadarsis and approved of by the Sub Division Officer after due consideration of all the circumstances calling for an increased expenditure due to the growing importance of the jatra year after year is submitted herewith for favour of early sanction . The Rathotsavam is to come off on the 6th February next.

3. Sanction is also solicited for purchasing vessels for Rs 300/- in order to remove the difficulty in the matter of simultaneously conducting Santarpanes for Smarthes, Madhaves and Sri Vaishnavas .

4. Of the Dharmadarsis appointed by Government in their Notification No 753 dated 11th January 1901 to supervise the affairs of the temple , Mr. Venkatasubbaiah Jodidar , is reported to be unable to cooperate with the others on account of old age and consequently his son Mr. Shamanna is recommended to succeed him. This may also be sanctioned and a Notifica- issued to this effect .
